

# Parkway Vistas & Fairway Vistas Villas

---

Client: Emaar  
Consultant: Whitespace Architects  
Contractor: Parkway International Contracting

Scope: Supply of Light Fixtures  
Time of Execution: 10 weeks

Creation's latest flagship project is undoubtedly Emaar's "The Parkway Vistas" & "The Fairway Vistas" – a premium golf championship community of 126 luxurious villas overlooking an 18-hole golf course at the stunning Dubai Hills.

A premium project calls for premium solutions and the Contractor Parkway International entrusted this responsibility to us. During the course of the project, we also had the pleasure of working closely with Whitespace Architects-architect and consultant for the project.

Due to multiple levels of approvals required at different stages, we evaluated and proposed multiple options to ensure we completely met requirements of the client, architect & consultant. Our Engineers ensured that all stakeholders were satisfied with the quality and designs of all the fixtures to provide high quality light fixtures that gave a rich, warm effect.

Creation is a name associated with quality and to be able to execute a project as high end as The Parkway Vistas & Fairway Vistas is a testimony to our commitment to offer the best value, products and services to our clients.
